

CASEGOOD CONSTRUCTION

SOLID WOOD

All products are made with kiln-dried hardwoods, treated to be vermin and insect-free, and meet or exceed industry standard specifications for quality and moisture content. Mahogany, Maple, Alder and Birch are our standard woods. Premium and exotic woods are also available.

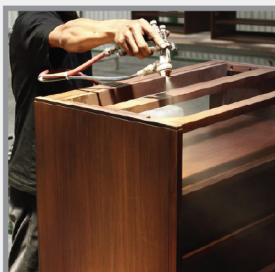

PANELS

All furniture panels are made from MDF and meets international quality standards, which means our products are free of formaldehyde and other harmful glues and chemicals. There are no exceptions to this rule! By using this material, our furniture can withstand a high degree of wear and tear.

HARDWARE

All staples, screws and nails used in the construction of our furniture are rust-proof. We have a catalog of options for handles, glides, knobs etc., for which the specs slightly differ depending on material chosen. Don't like our options, no problem, we'll manufacture to your specs.

FINISHING

Over the years, BSF has become known for our exceptional finishing capabilities. Our in-house, expert finishing team uses a 5-7 layer process to finish all furniture before it ships from the factory. Making sure that all surfaces are finished or sealed. That includes the back, bottom, inside and underside of drawers. Internationally recognized brand-names, Valspar and AxzoNoble, are the companies that supply our finishing supplies. Clients may choose from our pre-designed color options, or request a custom sample match.

DRAWERS

All drawers are 5-sided, constructed with multi-ply, hardwood and English dovetail joints. A highly durable UV Coating is applied enabling resistance to marks and inks. Full extension, heavy-duty, steel ball-bearing drawer glides are standard. Soft closing guides are available upon request.

TOPS + OPTIONS

We offer metal, laminate, stone, glass and leatherette top options as standards. We offer nylon carpet glides at the base. Electrical, Led Lighting, cord/ socket notches and crown- mounding cutouts are also available to meet the needs of each specific project.

VENEER OPTIONS

As shown below, we offer a variety of finishes at varying price levels. Our standard finish color options range from dark to light and everything in-between. Visit our website to preview our library of standard colors, and use the Sample Drop Box feature to order a sample or the RFP Drop Box to request pricing.

We also offer a beautiful variety of premium, exotic veneers as well as applied finishes, so call your local rep if you are looking for something unique. We'd be happy to place a custom order for you. **877-777-5994**
